

# RBI Grade B 2026: 15-Day Phase 1 Revision Plan

Preparing for RBI Grade B Phase 1 requires not just syllabus coverage but **smart revision**. With the exam scheduled for **June 13–14, 2026**, aspirants must now shift gears from learning to **consolidation, speed, and accuracy**. This **15-Day Detailed Study Plan** condenses the 10-week preparation schedule into a **high-intensity revision sprint**, ensuring every subject is revised, tested, and mastered before exam day.

## Day 1: Quant Foundations + Reasoning Basics + RC Strategy + RBI Structure

- **Quant:** Revise DI (Tables, Bar Charts), Number Series basics, Quadratic Equations.
- **Reasoning:** Linear Seating Arrangement, Syllogism, Blood Relations.
- **English:** RC strategy — identify question types (Main Idea, Tone, Inference).
- **GA:** RBI Structure, Functions, Monetary Policy basics.
- **Target:** Sectional mock (Reasoning). Accuracy: 70%.

## Day 2: Number Series + Syllogism + Grammar Basics + Banking System

- **Quant:** Advanced Number Series drills (difference, ratio, mixed).
- **Reasoning:** Syllogism (all 4 types using Venn diagrams).
- **English:** Grammar rules — Subject-Verb Agreement, Tenses, Articles.
- **GA:** Indian Banking System — PSU vs Private Banks, NBFCs.
- **Target:** Flashcards for GA + 20 grammar error drills.

## Day 3: Quadratic Equations + Blood Relations + Error Detection + Indian Economy

- **Quant:** Quadratic Equations (factorisation + formula).
- **Reasoning:** Blood Relations (coded + generation trees).
- **English:** Error Detection — sentence-based.
- **GA:** Indian Economy basics — GDP, Inflation, Fiscal Deficit.
- **Target:** Sectional mock (Quant). Accuracy: 75%.

## Day 4: Caselet DI + Floor Puzzle + RC Practice + External Sector

- **Quant:** Caselet DI (paragraph-based data extraction).
- **Reasoning:** Floor Puzzle (7–10 floors, multiple variables).
- **English:** RC passage (economy theme).
- **GA:** External Sector — Balance of Payments, Trade Policy.
- **Target:** Puzzle drill — 2 sets timed.

## Day 5: Arithmetic Sweep + Box Puzzle + Cloze Test + Capital Markets

- **Quant:** Arithmetic (SI/CI, Time-Work, Speed-Distance, Partnership).
- **Reasoning:** Box Puzzle (order-based).
- **English:** Cloze Test — grammar + context fillers.

- **GA:** Capital Markets — SEBI, Stock Exchanges, Bonds.
- **Target:** Full Mock 1. Analyse sectional cut-offs.

#### **Day 6: Speed-Distance + Machine I/O + Para Jumbles + Finance Current Affairs**

- **Quant:** Speed, Distance & Time (trains, boats, streams).
- **Reasoning:** Machine Input-Output (multi-step).
- **English:** Para Jumbles (TITA type).
- **GA:** Finance Current Affairs — RBI circulars, Monetary Policy updates.
- **Target:** Error log review.

#### **Day 7: Time & Work + Inequality + Connectors + Static GA**

- **Quant:** Time & Work (pipes, cisterns, efficiency).
- **Reasoning:** Inequality (direct + coded).
- **English:** Sentence Connectors.
- **GA:** Static GK — Committees, Reports, Indices.
- **Target:** Sectional mock (English).

#### **Day 8: Partnership + Circular Puzzle + RC Speed Drill + Trade & External Sector**

- **Quant:** Partnership problems.
- **Reasoning:** Circular Seating Arrangement (single/double rows).
- **English:** RC Speed Drill — 500 words in 8 minutes.
- **GA:** Trade Policy, WTO, FDI.
- **Target:** Full Mock 2.

#### **Day 9: DI Mixed Sets + Critical Reasoning + Sentence Improvement + Current Affairs Capsule**

- **Quant:** DI (Line Graph, Pie Chart, Mixed).
- **Reasoning:** Critical Reasoning (Strengthen/Weaken, Assumption).
- **English:** Sentence Improvement.
- **GA:** Current Affairs Capsule — last 3 months.
- **Target:** Timed drill — 20 Quant Qs in 18 minutes.

#### **Day 10: Probability + DS + Error Spotting + GA Finance Deep Dive**

- **Quant:** Probability, Permutation, LCM/HCF.
- **Reasoning:** Data Sufficiency (Yes/No type).
- **English:** Error Spotting — advanced grammar.
- **GA:** Finance Deep Dive — Banking reforms, NBFC updates.
- **Target:** Full Mock 3.

#### **Day 11: Mensuration + Puzzle Sprint + Cloze Test Speed + Static GA**

- **Quant:** Mensuration (2D/3D figures).
- **Reasoning:** Puzzle Sprint — 4 sets timed.
- **English:** Cloze Test speed drill.
- **GA:** Static GK — RBI Acts, Committees.
- **Target:** Sectional mock (GA).

### **Day 12: Caselet DI Advanced + CR Variety + RC Accuracy + Current Affairs Integration**

- **Quant:** Caselet DI (complex ratios + percentages).
- **Reasoning:** CR Variety — Paradox, Bold-faced, Course of Action.
- **English:** RC Accuracy — aim 90%.
- **GA:** Current Affairs Integration — Economy + Banking.
- **Target:** Full Mock 4.

### **Day 13: Formula Consolidation + Puzzle Selection + Idioms & Phrases + GA Final Lap**

- **Quant:** Formula sheet consolidation.
- **Reasoning:** Puzzle selection strategy — attempt easiest first.
- **English:** Idioms & Phrases (50 high-frequency).
- **GA:** Final Lap — one-pager summary.
- **Target:** Timed section practice.

### **Day 14: Timed Quant Drill + Full Reasoning Simulation + English Section Simulation + GA One-Pager**

- **Quant:** Timed drill — 30 Qs in 25 minutes.
- **Reasoning:** Full section simulation — 60 Qs in 50 minutes.
- **English:** Section simulation — 30 Qs in 20 minutes.
- **GA:** One-pager revision.
- **Target:** Full Mock 5.

### **Day 15: Confidence Revision + Light Puzzle Review + Vocabulary Glance + GA Quick Recap**

- **Quant:** Revise strongest topics only.
- **Reasoning:** Light puzzle practice.
- **English:** Vocabulary diary glance.
- **GA:** Quick recap of last 7 days' current affairs.
- **Target:** Final Mock + Rest. Sleep 8 hours before exam.

### **Weekly Mock Targets**

- **6 Full Mocks** (Days 5, 8, 10, 12, 14, 15).
- **Sectional Mocks:** Reasoning (Day 1), Quant (Day 3), English (Day 7), GA (Day 11).
- **Timed Drills:** Quant (Day 9), Reasoning (Day 13), English (Day 14).

### **Exam Strategy**

- **Attempt Order:** Reasoning → GA → English → Quant.
- **Skip Strategy:** If stuck >8 minutes, mark and move.
- **Accuracy Focus:** Aim 75%+ in Quant, 70%+ in Reasoning, 85%+ in English, 65%+ in GA.
- **GA Differentiator:** Daily Beepedia + one-pager summaries.

### **[Revision Resources:](#)**

### General Awareness Resources

- **PIB Sutra:** This very useful and affordable resource will aid you in mastering Government Schemes & Missions, Economics & Financial Issues, Descriptive Questions, Global News Reports and Indices, PIB Monthly Quiz, Etc.
- **Bazooka PDFs:** It is a monthly compilation of current affairs.
- **GA Topic Tests (Current Affairs):** PracticeMock provides [free GA topic tests](#) that sharpen recall speed and memory power. They also help in testing retention before the exam. These 7 tests on Cloze Test, Reading Comprehension, Parajumbles, Grammar, and Miscellaneous let you master these topics perfectly.

### English Language Resources

- Take **topic-wise English tests**. Practice RC, para jumbles, fillers, and error spotting.
- Use **short grammar and vocabulary notes**. Revise them daily.
- Enroll in the **affordable PDF Course**. It gives you more than 4500 Questions, important Concepts with detailed explanations and examples. It includes all new exam-level questions.
- For descriptive practice, join the **Descriptive Writing Course**. Expert feedback makes a big difference in essays and precis.

### Quantitative Aptitude Resources

- **Free topic-wise tests:** These tests are best for mastering topics like quadratic equations, simplification, DI, and more.
- **A Free full-length Mock Test:** This full-length [mock test](#) will help you test your preparation for Quants in the style of the exam.

### Reasoning Resources

- **Topic-wise Tests:** [Take 7 top-priority tests](#) on DI, DS, Miscellaneous, etc. will help you not only revise these topics well but give you a good practice for the upcoming exam.
- **Daily puzzle practice:** Start with easy puzzles, then move to complex ones.
- **A Free Full-Length Mock Test:** PM's [free mock test](#), coupled with other well-crafted mock tests, will teach a step-by-step approach to deal with the Quants section, along with all other sections.

**NOTE: This 15-Day RBI Grade B Phase 1 Revision Plan ensures complete syllabus coverage, mock integration, and GA mastery. By following it, aspirants can confidently aim for 70+ marks in Phase 1, staying well above the expected cut-off.**
